Mexico is nearer to us, more accessible and its nearer to us, more accessible and its trade, pro and con, worth infinitely more than Argentine. least half a dozen Occidentals.

If the best sugar bill now before con gress becomes a law it will be a big thing for the beet raisers of southern Kansas. In addition to the price offered by the Medicine Lodge sugar works company, for instance, for beets-from \$3.25 to 85 per ton-the raiser will get \$1 per ton from the government, and the company will get one cent per pound for all the beet sugar it makes, and this in addition to the bounty of two cents per pound offered by the state. The Barber County Index states that the sugar works company of that place have all the cane contracted for, or promised, that they can possibly handle in a season of one hundred days. The Index says the farmers are just a little slow in contracting to ruise sugar beets, but that there will be an umple acreage planted. The outlook

YEARS TO GET A NEW CONSTITUTION.

To the Editor of the Eagle.

At the meeting of the farmers at Topeka a resolution was possed favoring a resper call attention to the constitution of Kansas and the mode by which a constitutional convention can be called and especially do I desire to call attention to relief the farmers are immediately elected to each branch of the legislature shall think it necessary to call a convenagainst, a convention; and if a majority of all the electors voting at such election shall have voted for a convention, the legislature shall, at the next session, provide for calling the same. "In the first place two-thirds of the legislature favorable to constitutional convention will have to be elected at the November election in 1890. The representatives elected in November, 1890, will meet in January. 1891, when a resolution, supported by two-thirds of the legislature will Schalar S Pensistence.
